My mom **is** a wonderful person. I appreciate her so much and I'm very **grateful for** having her in **my** life. She has a strong character which I deeply **admire**. She's been through so much in her life, but it's all a part of who she **is**. And it has only made her a stronger person. She's done her best to **raise** 4 children and she's done a great job. She's always wanted what's best for us and she's done her best to provide us with everything that we need. She's spent many nights by **my** side when I was sick. She **guided** me through life, taught me right from wrong, **taught me manners** and how to treat others. She helped me grow to be the person I am today. I **look up to** her. She **is my** idol! She has **such a** beautiful soul. Many people say I'm just like her and it makes me very happy. I'd LOVE to be like her. I admire her.

But he thinks very quickly and says the funniest things, although sometimes what he says is funny but rude to people older than him.
