

## PHYSICAL APPEARANCE – fyzický vzhľad

### Age

My grandfather is quite **old**. In fact, as he has a pension, he is an **old age pensioner**, or a **senior citizen**.

His daughter, my aunt, is 55, and **middle-aged**. She has three sons. One is a **young adult**, at 24 years of age, and the other two are both **teenagers**. They are 16 and 17. My sister also has two children – one **toddler** who is a two-year old, and a **baby** who is 6 months old.

### Build

People are built in **all shapes and sizes**. There are those who are **fat** and **overweight**. Some people are extremely overweight and are **obese**. Other people are naturally **slim**, but others look have absolutely no fat on them and are **thin**, or **skinny**.

Personally, I am **stocky** – **small**, but **well-built**. My father is **tall** and **lean** – with very little fat. My sister is **short**, but **wiry** – she is quite thin, but **muscular**. Both my brothers are **athletic** and **well-proportioned**. My mother looks like a 1940's film star. She has an **hour-glass figure**.

My grandfather is **fit** for his age and **takes plenty of exercise**. He doesn't want all his muscles to get **flabby**.

### Colouring

My sister is an **English rose** – she has **fair hair** and **fair skin**. She doesn't **tan easily** and has to be careful in the sun. My mother is **blonde**, also with a **fair complexion**. I am a **red-head** – with red hair. Like many other people with a **pale complexion**, I get **freckles** from the sun – small brown dots on my face and arms. In contrast, my father has **dark-brown** hair and he is quite **dark-skinned**.

### Face

Some people have **oval** faces – their **foreheads** are much wider than their **chins**. Other people have **heart-shaped**, **square** or **round** faces.

Features also vary. My grandfather has **bushy eyebrows** (he has lots of hair!), a **hooked nose** and **high cheekbones**. His eyes are large and **set quite far apart**. My mother has a **broad nose**, which she hates, as she prefers **narrow** noses. But she is lucky to have **even** or **regular teeth**. My sister corrected her **crooked teeth** by wearing a brace which straightened them. She has **rosy cheeks**, small ears and a **snub nose**, which goes up at the end.

I have **long, curly hair**, though my sister is the opposite, with **short, straight** hair. Her hair is **fine** and doesn't weigh very much, but mine is **thick** and **heavy**. My mother's hair is **wavy** – in between straight and curly. It's cut in a **bob** and she also has a short **fringe**, where it is cut horizontally across her forehead. My father is **losing his hair** – in fact he is **going bald**, which makes him very sad. My brother looks like he is going to lose his hair too – it is **receding**.
